

Collin County Genealogical Society

Date: Wednesday, June 14, 2023 – NOTE: In Person Only!

Time: 6:30 pm CT - *Join us at 6:00 pm for social and meet everyone! Guests Welcome!*

"Genealogy Center: How it can help you with your family research"

Find out what the Center can provide you through books, maps, microfilm and databases. The collection includes Collin County and an excellent collection of books for the United States from the East to West coast. Additionally many reference books for beginners to advanced researchers to guide you in the process of searching for your family. Take a behind the scenes tour of the Genealogy Center and archives. Speaker Cheryl Smith has been working in libraries for 40 years and has done just about everything. In May 1998 she began working at Plano Public Library at Harrington Library. She's celebrating 25 years at Plano. She has been able to learn a lot about genealogy and local history through the years. It has become her passion to protect Plano and Collin County's history.

Light Refreshments will be served. Members encouraged to share a favorite dish. We plan to have time for research and a brick wall question & answer session. Come enjoy our end of society year program and social.
